

Dear parents/guardians

ILM's 2019 Registration Process

On 3 November 2018, ILM requested (via Sheikh Ismail Keraan) that the Al-Azhar Masjid Committee and ILM Executive meet to confirm the logistics for the 2019 academic year. Although this meeting has not yet transpired and certain logistics regarding the Saturday class is unclear, ILM will open registration for the 2019 academic year to gauge which students will attend ILM for the 2019 academic year. We therefore request parents/guardians complete the **attached registration form** and return it to an ILM official no later than 1 December 2018 to ensure your learners place is secured for 2019.

ILM code of conduct is the same as in 2018, apart from the following:

1. ILM's annual fees have increased. The increase is depicted in the table below:

	2018 Academic Year	2019 Academic Year	Difference
Weekday Class	R1 800	R1 920	R120 (7%)
Saturday Class	R1 800	R2 160	R360 (20%)

2. Based on input from the ILM team (i.e. teachers and administrator) we reviewed how ILM engages/communicates with parents. In this vain we will implement certain changes for the 2019 academic year. One of these changes is the use of an **ILM handbook**. The aim of this handbook is to, amongst other things, track parent/teacher interaction in a more formalized way e.g. learner progress with recitals. The **cost** of this handbook is **R50** per learner (**once-off**) and will be included in your fee statement for January.

If you have any queries relating to this or any other madrassah matter, you are welcome to speak to Mr Rashaad Benting or Mr Ebrahim Peters. For more information on our code of conduct, visit our website (http://ilm.org.za/wp/useful_docs/) for more information.

Regards
ILM Executive
